MARCH 2025

MONGELLOW'S MINUTES

STATE CAPITOL

Public hearing phase of 2025 session in full swing ... Legislative committees are holding numerous public hearings, and the CBA is testifying on a variety of bills that impact Connecticut banks ... That means we're right around the corner for those bills that make it to a Public Hearing to potentially be voted out of the 28 legislative committees. Here's some of the bills that the CBA is lobbying for - or against:

Industry positive bills

Branch improvements (HB 6877) ... This CBA sponsored bill, which eases the regulatory burden of renovations on existing branches for state-chartered <u>banks</u> had a Public Hearing (PH) on <u>Feb. 13th, and</u> will be voted on March 6th.

Disaster Savings Accounts (SB 1401) ... Also sponsored by the CBA, this tax advantaged account would be available through banks in the State, and raise awareness of the uncovered insurance deductibles and expenses related to natural disasters ... This bill will be voted on in early March and we have heard there is interest in including this bill in the Governor's omnibus bill dealing with natural disasters.
